**PLACEMENT EVALUATION**  
**Monitoring form (Foster Carer)**

**Introduction:** This form is to be used to obtain feedback at the end of each placement or for a carers Annual Review. It is to be provided to the Foster Carers for completion by them.

**Purpose of Form:** The form will be used by the Agency to monitor both the service and support provided by it to the Local Authority and to the Foster Carer.

The Agency commits itself to ensuring that all the information provided in these forms will be considered in a positive way to influence its future operation and policies.

**Confidentiality:** The Foster Carer will be given the opportunity, with each item of information, to say whether it is given in confidence.

The Agency reserves the right to pass on such confidential items if it is considered that not to do so will impinge upon the well being of the children and young people concerned. Such information will be carefully and selectively used and will be non-attributable.

Any such items that may be considered will be discussed with the Foster Carers beforehand.
